**Scotch Pine**

**Ash**

**Oak**

**Sycamore**

**Sequoia**

**ASH**

**OAK**

**SYCAMORE**

**SEQUOIA**

**TREE BARK**  
*Identification*

## **Tree Bark Match or Memory Game - Instructions -**

- 1) Print and cut the tree bark cards. (There are two of each bark picture.)
- 2) To use as a match game for younger children, simply give them the tree bark cards face-up and have them decide which ones look the same and make a pair.
- 2) For a memory game with multiple players:  
Flip all the tree bark cards upside down, with the logo facing up. Players take turns trying to find matches. On each turn, a player turns over two cards and if it's a match, keeps that pair for one point. If it's not, both cards are turned over again and the next player goes. The game is over when all the matches have been made, and the player with the most is the winner!

**BEECH**

**CHERRY**

**ASPEN**

**SILVER BIRCH**

**HICKORY**

**SCOTCH PINE**
